

ANNOUNCEMENT : CARBON CREDIT PROJECT ORIGIN FROM ACTIVITIES AT BUKIT LAWANG PALM OIL MILL

This announcement is made with reference to the on-going carbon credit project originating from activities at Bukit Lawang Palm Oil Mill:

“Carbon credits may be issued through Verified Carbon Standard Project ID 4279 for the greenhouse gas emission reductions or removals associated with products by Bukit Lawang Palm Oil Mill whose emissions footprint is changed by the project activities.”

For any enquiries with regards to the carbon credit project ID 4279, please contact sustainability@cenergi-sea.com.

“Kredit karbon dijangka akan dihasilkan melalui pengurangan atau penghapusan perlepasan gas rumah hijau melalui aktiviti projek di Kilang Kelapa Sawit Bukit Lawang di bawah Verified Carbon Standard (VERRA) Projek ID 4279.”

Sebarang pertanyaan dan maklumbalas berkaitan projek kredit karbon ID 4279 boleh diajukan kepada sustainability@cenergi-sea.com.

TH Plantations Berhad (THP) is collaborating with Cenergi SEA Berhad on a biogas plant project adjacent to the Bukit Lawang Palm Oil Mill, targeted for operation in 2026. This initiative forms part of THP’s sustainability commitment to reduce greenhouse gas emissions. The carbon credit project implemented in accordance with the Verra Standard.
